Cross border cooperation as part of establishments' strategic plan

EUCOR STRATEGY 2030

Objective 9: Consistently connecting actors and activities of student life from the different universities and supporting joint endeavours.

- Holding regular meetings and collaborating with student services and the CROUS in Strasbourg.

STRATEGIC PLAN OF THE CROUS OF STRASBOURG

Project 5 – Objective: To promote the cross-border nature of our region and to facilitate mobility and exchanges.

- Continue to strengthen ties with Eucor and with our German partners (STW Freiburg and STW Karlsruhe) to increase student exchanges.

How does the cooperation between the member universities of Eucor, the Crous and the Studierendenwerke benefit students?

- common programme of **event and joint initiatives** (excursions, cultural and sport events, workshops, stand information etc...)
- **support for the promotion** and publicizing of Franco-German and cross-border events
- **best-practices** exchanges (registration forms, student satisfaction surveys)
- **cooperation between Franco-German volunteers**: cultural events organized by students for students

More than 50 student cross-border events have been organised in 2024-2025 with more than 1000 participants.

How can borders be transformed into opportunities for a real European student life?

- 5 university from three different countries within a **two-hour train journey** (perfect for a day trip!)
- the opportunity to **meet international students** and/or students from neighboring countries **just a stone's throw from home**
- specific **financial support from universities** to cover travel costs for student who participate to Eucor student events
- **free events** organized by the universities, the Crous and the STW open to all students
- Eucor universities, Crous and STW can rely on **specific fundings of the Upper Rhine Region and of the Franco-German Youth Office**

The **geographical proximity** of the five universities and specific **financial and administrative supports** are key assets for organizing various sustainable student activities open to everyone
